

ATTENTION PARENTS:

For children participating in BOTH the Keshequa breakfast/lunch program AND the Summer Recreation Program-

There have been a few changes, PLEASE READ CAREFULLY!-

A bus from the hamlets (Dalton, Hunt, Portageville and Oakland) will deliver children to breakfast at the Nunda Building at 8:00am.

Walkers from the Village of Nunda can join them.

The bus driver will wait at the school during breakfast and will bring the children to the Kiwanis Park at about 8:35am for the Recreation activities.

This transportation will include the children who were dropped off by parents or who WALKED from the Village of Nunda.

The bus driver will pick up children at the Kiwanis Park at 11:25am and take them to the Nunda Building for the lunch program.

The bus driver will wait at the school during lunch and return children to the hamlets starting at noon as per attached schedule. Children can be picked up by parents at the school or walk home to the Village of Nunda after lunch if not riding the bus further.

IMPORTANT: A Summer Recreation staff member will be on the bus after breakfast and to lunch to ensure that things run smoothly.
